Subject: Reclamation Surety Required, Matthew Horner, Jim and Ivers #1 & #2 Mine, S/031/0012, Piute County, Utah

Dear Mr. Horner:

The referenced Notice of Intention to Commence Small Mining Operations (NOI), received by the Division of Oil, Gas and Mining on April 11, 2014, is complete **with the exception of the reclamation bonding requirement.** The US Forest Service Calculated the reclamation cost to be \$13,505.00. The Division concurs with this amount. Therefore you are now required to provide the reclamation surety to the Division (as requested by the Forest Service).

Please submit the reclamation surety and reclamation contract within the next 30 days. The reclamation contract form is available on the Division's web site at [https://fs.ogm.utah.gov/PUB/MINES/Minerals\\_Related/FORMS/MR-RC-SMO.pdf](https://fs.ogm.utah.gov/PUB/MINES/Minerals_Related/FORMS/MR-RC-SMO.pdf). No mining related disturbance may be created until the surety is received and approved and you have received written acceptance from this office as well as other applicable agencies.

The reclamation surety can be submitted in one of several forms, including, an irrevocable letter of credit, a certificate of deposit, cash or a surety bond. Please contact Penny Berry at 801-538-5291 or by e mail at [pennyberry@utah.gov](mailto:pennyberry@utah.gov) for assistance in completing this requirement.

Please contact Lynn Kunzler at 801-538-5310 or me at 801-538-5261 if you have any questions regarding this letter. In reply please refer to file number S0/031/0012

Sincerely,

Paul B. Baker  
Minerals Program Manager
